A FEW QUESTIONS?

Why did you throw that lamp away?
Was it because you couldn't find a burner?

Was it because you couldn't find a wick?

Was it because you couldn't find a chimney?

Was it because the collar came off?
If it was for any of these causes, don't throw another lamp away, but bring it to us and we will fix it for you. Why we will even fix your Center Draught lamp, so you can burn either gas or electricity in it.
